training and is looking forward to solo. Also in attendance was Tish, Ellen, JB, Julie, Charly, Liz, and Grace. We confirmed the holiday party will be in Los Osos as usual on Friday, December 6 [in the meantime postponed to December 13]. Those planning on attending need to RSVP to Louise. Cookies to the Tower will occur on Saturday, December 14. We will meet at the Spirit of San Luis at 9:30 to put together boxes. Julie will bring the boxes and everyone should bring some treats to distribute to the Tower, Airport Administration, CDF, and our meeting hosts – the staff at the Spirit.

We ended the evening with a discussion of scholarship opportunities that the new pilots may be able to apply for. Liz offered to get information out to those interested. We also discussed the status of discover flights and voted to open up the flights to women of any age 16+.

Dates and Schedules

Comments, corrections, and suggestions are welcome. Fly-outs: dates are flexible and we will confirm plans and set times at the chapter meeting before the scheduled fly-out. Seats will be available for non-pilots, students, and pilots without wings. We want every seat to be filled, so let us know if you want to come along.
