

Chairman's Message

By Kathy Dannecker

September brought great flying weather and another milestone for one of SLO 99s' new friends. Jody Sahaykak soloed this month! Congratulations Jody!

More excitement ahead as we look forward to San Luis Obispo Airport Day 2014. The 99s will be running tower tours, offering children's activities at the "KidZone," working with EAA doing Young Eagles flights, and displaying their personal aircraft. We're going to be a busy group!

So be sure to come to the SLO 99s meeting on October 1, when we will be finalizing plans for our participation in airport day. We'll take a field trip to the tower where Dylan will be available to re-familiarize (or acquaint) us with tower operations, so that we can provide informed tower tours. We'll also finalize kids' activities and make sure we have the staffing we need for everything we're doing that day. Airport day is a great way to introduce the community to aviation and to women pilots. And it's fun! So get involved! You'll be glad you did! [See more on: www.sloairport.com]

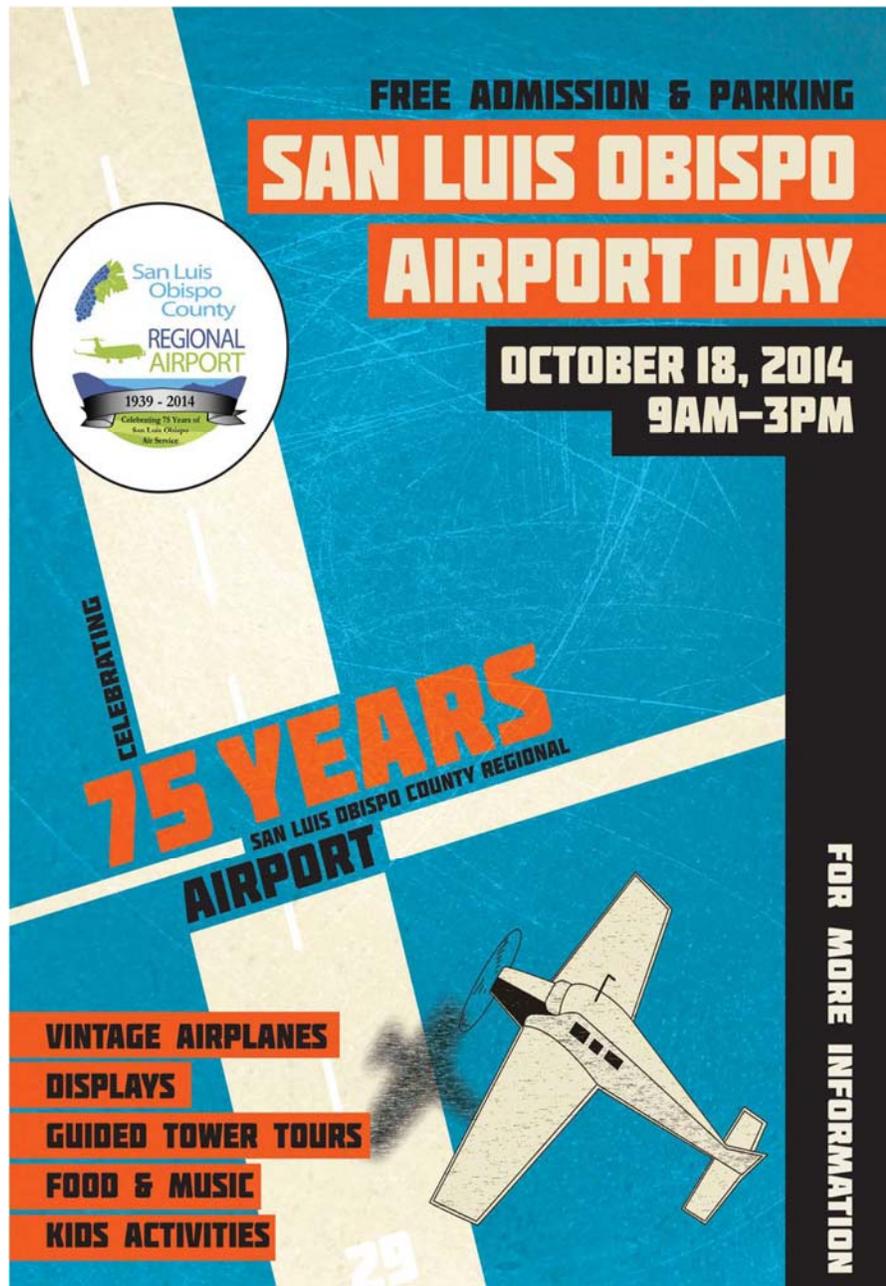

Minutes of General Meeting

By Grace Crittenden

The meeting [September 3, 2014] started with the guest speaker, Phil Gorman, who flies his Mooney out of Paso Robles and is the editor of "The Mooney Flier" an e-magazine. He took us on a wonderful tour of day trip destinations and places to camp with an airplane. He finished up the presentation with suggestions for places to stay for weekend trips.

The poster features a blue background with a white runway graphic. At the top, it says "FREE ADMISSION & PARKING" in white on a blue background. Below that, "SAN LUIS OBISPO AIRPORT DAY" is written in large, bold, white letters on an orange background. The date and time "OCTOBER 18, 2014 9AM-3PM" are in white on a black background. A circular logo for the "San Luis Obispo County REGIONAL AIRPORT" is shown, celebrating 75 years from 1939 to 2014. The text "CELEBRATING 75 YEARS" is written vertically in white. At the bottom, a list of activities is shown in white text on orange bars: "VINTAGE AIRPLANES", "DISPLAYS", "GUIDED TOWER TOURS", "FOOD & MUSIC", and "KIDS ACTIVITIES". An illustration of a vintage airplane is in the bottom right corner. On the far right edge, the text "FOR MORE INFORMATION" is written vertically in white.

Dates and Schedules

Comments, corrections, and suggestions are welcome. Fly-outs: dates are flexible and we will confirm plans and set times at the chapter meeting before the scheduled fly-out. Seats will be available for non-pilots, students, and pilots without wings. We want every seat to be filled, so let us know if you want to come along.

Janice O'Dell identified the mystery airport as Sacramento Executive Airport Day was the next order of business. Oct 18 is the big day. We will do the ever popular tower tours and this year, we will be sponsoring a booth with activities for children, Kathy Dannecker has organized some fun aviation related activities.

Next meeting, October 1, we will a tour of the tower ourselves, so we will be prepared as tour guides.

Mystery Airport

Big Preparation for Airport Day with Field Trip

By Kathy Dannecker

Mark your calendar for the SLO 99s October meeting when the focus will be on finalizing airport day preparations.

As part of those preparations, we'll be taking a field trip! Join us for a short trip to the tower to prepare for our role as tour guides during airport day.

We also need help coordinating plans for the kid's tent and we want to make sure we have the staffing and supplies we need. Airport day is a great opportunity to introduce the community to the airport and to women pilots and get kids excited about airplanes. So please help in any way you can. I promise you'll have fun, too! See you at the next meeting, Wednesday, October 1. Social 1/2 hour will be from 5:30pm–6:00pm. We'll go over airport day plans and head to the tower at 6pm.

Membership Chairman's Message

By Elizabeth Dinan

We have not seen some of you at the 99 meetings lately and you have been missed. We have had some good speakers and some of our members have had some very interesting flights to tell us about. Our next meeting is Oct. 1 at the Spirit at 5:30 for hangar talk and dinner if you would like. Meeting starts at 6:00. October 18 is San Luis Obispo Airport Day and we will be discussing and asking for volunteers for our 99 booth and/or tower tours. Some of us will be helping with Young Eagle flights. If you cannot make it to the meeting, please come out to airport for Airport Day. What could be better than a day at the airport with 99 friends? We look forward to seeing you there. If you can't make it, please give me a call or email. I would love to talk flying with you.
